20th May 2022

Dear Mums, Dads and Carers,

I am writing to tell you about our exciting line up of events for our final term. We kick off Term 6 with just a three-day week for pupils as the staff have two days of training scheduled. In this week we will be celebrating the Queen's Platinum Jubilee. On all three days the children can come to school wearing a combination of red, white and blue, no school uniform required. In school, each year group will be learning more about a particular decade of the Queen's reign as well as learning a whole school song that we would love to perform for you on Thursday 9th at 2:15pm around the school ammonite. After the performance, you are invited back to your child's class to view some of the work they've undertaken that week, as well as enjoy a glass of 'St Keyna fizz' and a slice of cake. On the day, if the weather is good, do bring a picnic blanket as we would like the children to have an informal play after the cake. We expect you to collect your child/ren from the teacher and then to take responsibility for them. You would also be allowed to take them home slightly early as well. Teachers will Dojo you with more details about the presentation of work and the handover of children nearer the time.

Please can you support this event by sending in some cake on Thursday 9th June (in a named tin if you wish it to be returned). Due to capacity, we also need to restrict numbers to no more than 2 adults per pupil.

The following is a list of key events which is also available and regularly updated with any changes on the Parent Page of our school website.

On a personal note I would like to thank the staff team, especially Mrs Collier, Mr Eaton and Mr Jones for their support during my phased-return to work. I am definitely getting better and hopefully will be in school everyday soon. I can, nevertheless be contacted via Class Dojo or the school office and will endeavour to get back to you promptly.

Parents/Carers also thank you for your kind words and patience as we would usually have given you these dates much earlier. Term 6 will be fun and hectic and hopefully you will be able to attend some of the events as we continue getting back to normal at last!

Kind regards
Steve Gumm
