Term 2 Week 1

Our learning this week...

Welcome back! I hope you all had a lovely half term break and enjoyed spending time together. We are excited to be back into the swing of things in Little Gems. We have a big term coming up with parents evenings and our Christmas show! This week, we are going to begin the week by sharing all our holiday news. We will be using stem sentences such as 'I went to...' or 'I saw....' to continue working on the children's oracy and practice speaking in full sentences. We will also be learning a little about bonfire night and doing some fun firework themed art activities. Next week we will be joining in with World Nursery Rhyme Week so this week we will be doing a warm up and singing lots of nursery rhymes in preparation. We are going to see if we can hear any rhyming words! Our maths focus for this week is counting. We will be practising our counting and ordering of numbers before we step into subitising later on this term. Our Term 2 poster is up on the Nursery page of the school website so you can have a look at what books and main focus areas we have coming up this term.

PE

We will be beginning some PE lessons this term in Little Gems. There is no set day so I can change it around, ensuring all children get a chance to participate on different days. Little Gems do not need a PE kit or change of clothes.

Medication

If your child needs medication or inhalers while at school, please make sure you fill in the form in the office before bringing medication to Little Gems. We cannot administer anything without the forms filled in and signed.
