2. Charities to support for Harvest

Merrin suggested Young Lives versus Cancer, Mrs Collier suggested Fareshare (as they've supported families at school through COVID), Mr Gumm suggested supporting children in Haiti or Afghanistan, Mr Eaton suggested Books2Africa (as we sent a lot of books to Africa recently which incurred shipping fees), Millie-Rose suggested a charity which plant trees around the world. After a vote it was agreed to support UNICEF who are supporting the most vulnerable especially children in Haiti and Afghanistan.
