Spring 1 Week 1

Our learning this week...

Welcome back! I hope you all had a lovely restful break and enjoyed lots of family time. I am looking forward to hearing all the children's stories this week. We are all looking forward to getting back and getting started this spring term (hopefully with some warmer weather coming!) This term our topic is 'Ready, Set, Go!' We will be heading off on lots of different adventures through space, in vehicles, around the world and growing seeds! Our first adventure this week is a bear hunt! We will be travelling through the swishy swashy grass and a swirling whirling snowstorm when we read the story 'We're Going on a Bear Hunt.' We will be role playing and retelling the story, heading outside to the woods to go on our own bear hunt and draw pictures of what we find and moving like bears and through the different terrains in PE! We will be continuing our PE and Music lessons this term and will continue to work on our oracy skills when speaking and sharing.

Notices...

Welcome!

We are very excited to have seven new Little Gems join us this January. I know our current Little Gems are very excited to meet them, play with them and look after them so welcome to all our new Nursery friends and families!

Junk modelling

During the week we will be making bear caves out of junk modelling. If you have an small boxes or empty cartons at home that are washed out and a suitable size, please send them in so we can turn them into bear caves!

Congratulations!

Well done to Harrison who is our first Little Gem to reach the rainbow in our Rainbow Reading Challenge! What a fitting book he chose as his prize! So many children are so close, we can't wait to see who is next!

Random Act of Kindness

This week our Random Act of Kindness is...

Share a toy with a friend!

Language for Life
