Ref: Progressive Kids provision from September 2026

Dear Parents at St Keyna Primary School

We are writing to inform you of a handful of changes to our wraparound provision that will take effect from September 2026.

Timetable

To align our provision with our other settings in the region, there will now be 4 booking options instead of 5, these are detailed and priced below.

Breakfast Club - £5.50

After School Club Early Collection (4.30pm) - £7.00

After School Club late Collection (6.00pm) - £12.00

Full Wraparound (Breakfast Club until 6.00pm) - £15.00

The sports hour/activity will still be timetabled and accessible for any child booked in to after school care but following a review, we will be increasing the variety of activities available and creating a more balanced, child led environment in line with our OFSTED registration obligations.

Payment and cancellations

We appreciate that plans change and children are sometimes unwell and off school. We will therefore happily credit any booking errors or changes but to be eligible, we must receive 24 hours notice in writing. If we are notified on the day or after the event then we cannot provide credit and the booking will be lost.

Payments via childcare vouchers or the Government tax free scheme must be received by us within 5 working days of making your booking before an admin fee is applied.

Termly enrichment sessions

Once per term, all settings will deliver a themed enrichment session or party that any children booked in can attend at no extra cost - themes that we have delivered in the past are Halloween, Christmas, Easter, the Olympics and the World Cup. We will communicate dates of the themed sessions in advance so that you can ensure your child is booked in.

Pricing

Whilst we try our hardest to minimise the impact of inflation as well as increasing staffing, food and supplier costs for parents, we do have to stay viable as an organisation. What we can commit to is to hold our prices for the full academic year and ensure that the quality of our provision is upheld and delivered consistently and reliably every single day.

Social media

Please follow us on social media for updates and pictures of what your children have been up to during their time with us - please like and share away using the links below.
