Homework

Reading Books

- Children have a RWI Reading Book. These reading books are changed depending on the stage (either every 3, 4 or 5 days).
- When children have completed RWI and are on Accelerated Reader books, these will be changed as and when needed.
- Ideally we would ask that you hear your child read 4 times per week. Remember, it doesn't need to be the whole book every time.
- Little and often is important and makes such a difference.

How do we decide which RWI Reading Book to give your child?

Children are assessed each term on their knowledge of the Set 2 and 3 Sounds and their ability to read words containing those sounds. They are also assessed on their pace of reading.

Once children know all the Set 2 and 3 Sounds confidently and can read words (including multisyllabic words) containing them AND they have a reading pace of 80 words per minute, they will come off the Read Write Inc books and move onto Accelerated Reader.

(We aim to get the majority of Year 2 off RWI by Christmas.)

What is Accelerated Reader?

Children do a placement test online and this produces a reading level.

They then choose a reading book and complete a reading quiz online in school.

If they get 80% or more in the quiz on two books on that level, they move up to the next level.

Children are reassessed several times a year on the placement test, they can go up as well as down!

READING REWARDS

Reading Challenge

Certificates & stickers for every 15 reads at done home. Please sign their Reading Record book.

Please feel free to 'count the reads' you are doing at home by writing numbers where you sign.

We only count the Read Write Inc Book or the Accelerated Reader book for the Reading Challenge. We also only count one read per day.

Positive Behaviour Policy

Adults notice the children's behaviour and either praise them for it or support them with understanding the cause for it. Then we work together to create a natural consequence for their behaviour.

They will also help the children understand how they can learn from it to improve their behaviour in the future.
