Mr Eaton

1. Apologies

Eric and Sofia were delayed and joined the meeting later.

2. Introduction

Mr Eaton welcomed everyone and everyone introduced themselves.

3. Agenda and Minutes

Mr Eaton provided handouts and explained the purpose and function of the agenda and the minutes.

4. Travel plan - Park and stride

Mr. Eaton explained that as part of the planning requirements for the new school, we have to create a travel plan to help minimise the amount of traffic at drop-off and pick-up times. Part of this travel plan will be a 'Park 'n' Stride' plan where parents who need to drive are encouraged to park slightly further away from school and then 'stride' a few minutes to school. Using satellite maps online, we identified the following sites as potential spots for Park and Stride:

- The end of Ludlow Close
- The end of Barnard Walk
- Along Lockingwell Road
- In some of the parking bays along Kelston Road
- The Methodist Church carpark

Actions:

1. School Council to write and ask the Methodist church for permission
2. Meet with Richard Pitman to develop this plan

5. Any other business

Ronnie asked if they could have football nets on the playground. - Mr Eaton explained that with the smaller play space it's too dangerous for football as children would inevitably get accidentally hit by the ball.

Hamish asked if the new field could be an all-weather pitch - Mr Eaton agreed that this would be a great aspiration and both himself and Mr Gumm would like that. However, it will take a lot of fundraising and time to raise the necessary money.
