Spring 2 Week 2

Our learning this week...

What a lovely sunny week we have had so far. This week we are continuing our adventures under the sea. We will be doing deep diving and learning about some of the amazing creatures we can find under the sea! We will be learning about jellyfish and octopus on Monday, sharks and stingrays on Tuesday, fish on Wednesday, starfish and seahorses on Thursday and whales and dolphins on Friday. We are going to be doing some incredible artwork, thinking about how we can move like these animals, talking about what they eat, creating some poems about the animals and referring back to our learning last week and understanding why we need to keep our seas and oceans clean! As we had such a short week last week and we had our trip on Thursday, we didn't have much chance to learn our new sound so will be repeating it again this week along with recapping all our other sounds we have learnt and trying to hear those sounds in words we say.

Notices...

Uniform reminders

Just a reminder than children should not have lace up shoes in Nursery. Please can they all have velcor shoes/trainers or zip up boots that they can do themselves.

On Mondays we are doing Gymnastic with Baskervilles. The children need to take their shoes and socks off for this so if possible, could children not wear tights on Monday's!

Please make sure all uniform is clearly labelled. We have a growing collection of unnamed items.

Congratulations

Well done to Aurelia who reached the reading rainbow this week!

Random Act of Kindness

This week our Random Act of Kindness is...

Ask someone to sit next to you at lunch.

Language for Life

Our Language for Life focus this week is...

pronoun

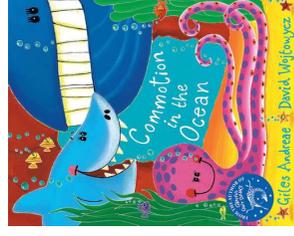

Texts

Our focus texts for this week are....

Commotion in the Ocean by Giles Andreae and David Wojtowycz

Sound of the week... • Dates for your diary...
