EVERYONE MATTERS
EVERYONE ACHIEVES

Summer 1 Week 5

Our learning this week...

It is the last week of term this week and our minibeast topic has come to an end. We have had so much fun and learnt so many new things about minibeasts. This week we are reading our final Eric Carle story, The Very Lonely Firefly. We will then be comparing all the stories we have read by Eric Carle and using the stem sentence 'my favourite was ___ because ___' and drawing a picture of our favourite! Tuesday is our Bug Ball and we are so excited. We will have music, games, bug activities, Animal Club coming in to visit and we are going to be decorating some biscuits! We are having our last week of dance this week, we have loved it so much and learnt new ways to move. Our maths focus this week will be matching, comparing and sorting and so we are going to be using some bugs to have a go at all those activities! To finish off the week we are going to be writing a class story or poem about a minibeast that is not in one of the stories we have read!

Notices...

EYFS Bug Ball

It's our Bug Ball tomorrow! We are so excited so see everyone in their costumes and to do all the fun activities we have planned!

Most Little Gems have been given their ticket and when they arrive they will need to feed their ticket to the caterpillar!

Children can come to school in their bug costume. If it is something they may want to take off during the day, please make sure they have sensible clothes underneath!

Class Photos

On Friday we are having our Nursery class photo. We will be having it in the morning after one other class.

If your child does not normally come to school on a Friday but you would like them to be in the photo, please bring them in uniform to the office at 9am.

Sound of the week...

Dates for your diary...

Tuesday 19th May
EYFS Bug Ball and Animal Club
Minibeast visit

Friday 22nd May
