EVERYONE MATTERS
EVERYONE ACHIEVES

Spring 2 Week 3

Our learning this week...

This week we are starting a new topic...aliens and robots! We are going to have some fun creating our own aliens and robots, learning a little about space, pretending to be aliens and/or robots and using all the words and fun things we do over the week to write a story about an alien or robot! This week we are going to design our own robot and then next week we will be using junk modelling to make our robot design come to life! Our maths focus this week is take and give 1, 2, 3 so we will be counting some aliens and then adding some more and taking some away! On Friday we will be celebrating and learning all about Red Nose Day, designing our own noses, counting, adding and taking away noses and make Red Nose Superhero Masks! We will be having Baskervilles for gymnastics again this week - I can safely say there are some very brave Little Gems climbing all the way to the top of the climbing frame now!

Notices...

Reading at Home

Reading regularly at home really supports your child's language and early literacy development. Even 10 minutes a day sharing a story can make a big difference. Feel free to record any books you read together in your child's reading diary.

Junk Modelling

Over the next two weeks we are going to be following a design process of designing our own robot and then making it. We would really appreciate any junk modelling items you have that we could use to build a robot! These could be toilet roll, bottle caps, yoghurt pots, egg cartons, boxes...anything that is cleaned and we can use!

Proud Moments

If your child has achieved something special at home (learning to ride a bike, trying a new food, helping at home), please let me know on Dojo! We love celebrating children's "proud moments" together.

Sound of the week...

Dates for your diary...

Friday 20th March

Red Nose Day

Wednesday 1st April

Own Clothes Day

Thursday 2nd April

INSET Day

Random Act of Kindness

This week our Random Act of Kindness is...

Put rubbish in a bin to help look after the planet.

Language for Life

Our Language for Life focus this week is...

see, hear, smell, touch, taste

Texts

Our focus texts for this week are....

'No-Bot' and 'Three Little Aliens and the Big Bad Robot'
