

LITTLE GEMS NEWSLETTER

Spring 2 Week 5

Our learning this week...

We have a mixture of things happening this week in Little Gems. We are still having fun and using our imaginations and creative skills exploring aliens and robots and this week we are very excited to be making our robots that we designed last week. To make our robots we will be looking at different junk modelling objects and thinking about which parts we can use to make our robot, how to attach them together and how to decorate them. Because we were so busy a couple of weeks ago exploring under the sea, we missed British Science Week so this week we are going to be having some fun doing some whole class science experiments and talking about them. We are going to be creating a Skittles rainbow, making a balloon rocket, testing things that float or sink and making magic milk! We are continuing to work on our oracy throughout the day and it is great to hear children speaking more confidently! Please make sure all children are at school on time by 9am so they don't miss out on the first part of the day!

Notices...

Jumpers/Cardigans

We have a number of Little Gems who are missing their purple jumpers or cardigans. Please can you double check all cardigans and jumpers at home to make sure you have the correct ones. Please make sure all uniform is clearly labelled so we can send it home with the correct owner!

Proud Moments

If your child has achieved something special at home (learning to ride a bike, trying a new food, helping at home), please let me know on Dojo! We love celebrating children's "proud moments" together.

Congratulations

Well done Ezra, our newest Rainbow Reader!

Random Act of Kindness

This week our Random Act of Kindness is...

To show kindness to everyone around

Language for Life

Our Language for Life focus this week is...

see, hear, smell, touch, taste

Texts

Our focus texts for this week are....

The Littlest Robot

Sound of the week...

Dates for your diary...

Wednesday 1st April

Own Clothes Day

Thursday 2nd April

INSET Day

Monday 20th April

Start of term 5
