

Term 4

EYFS NEWSLETTER

NURSERY

This term in Little Gems our topic is....

Under the sea and out of this world!

We are going to be exploring the seaside, life under the sea, lots of different sea creatures and how to look after our oceans. We are then going to travel out of this world and have some fun with aliens and robots!

RECEPTION

This term in Quartz and Amethyst, our topic is....

Little lives, big transformations!

We are going to be starting the term learning all about spring and talking about all the signs of spring we see around. After this we are excited to be exploring minibeasts and learning all about different life cycles!

EYFS PLAYGROUND

The EYFS team are working hard at the moment to get our Early Years playground looking fantastic and being fully resourced so the children can get the most out of their time outside now we are heading into spring. Because of this, we ask that during drop off and pick up time, you do not let any children play with/on or move any of our equipment and toys.

THEATRE TRIP

Well done to all our Nursery and Reception children today on our trip to the theatre. Everyone did an amazing job travelling on the coaches and during the show and enjoyed it alot!

DONATIONS

We are always looking for resources in EYFS and welcome donations so if you have anything at home you no longer need or use or are having a bit of spring clean, please let a member of the EYFS team know what you have to see if we could use it here!

GYMNASTICS

We are very excited for this term as we will be having PE every week with Baskervilles doing gymnastics!
