Summer 2 Week 1

## Our learning this week...

Wow! I cannot believe we are in the final term of the year! It feels like it was only the start of our time together yesterday and now a number of our Little Gems are preparing to move into Reception! We have a great last term planned with lots of stories and tales and fun and learning. Our topic this term is 'Once Upon a Summer,' and we will be starting with traditional tales. Our first traditional tale this week is Jack and the Beanstalk. We will be reading and retelling the story and for our focus activity, we will be thinking about what we would like to find at the top of the beanstalk and drawing this. We are also going to be making some swirling green beanstalks and our own harps this week. As a class, we are going to work together to build a beanstalk for our role-play area and paint the characters to go along with the story. For maths this term, we are going to be looking at all the topics we have done this year, beginning with counting and ordering numbers. Our PE lessons are back to normal this term and we will be working on our throwing and catching skills and practicing for Sports Day!

## Notices...

### New Parents Meeting

Just a reminder for all parents of children attending Nursery or Reception at St Keyna in September, there is an information evening on Wednesday evening from 5pm-6pm you are invited to.

### Whole School Run

On Friday we are having our Term 5 Whole School Run. Please make sure children come to school wearing sensible shoes for running.

### CF Wear Yellow Day

On Friday 12th June, EYFS will be wearing yellow to support the Cystic Fibrosis Trust. Cystic Fibrosis (CF) is a genetic condition that affects the gene that controls the movement of salt and water in and out of the cells. People with CF experience a build-up of thick sticky mucus in the lungs, digestive system and other organs, causing a wide range of challenging symptoms affecting the entire body. All children are invited to wear lots of bright yellow on this day!
