Homework – Read, read, read

Reading Books

- Children have a RWI Reading Book. These reading books are changed depending on the stage (either every 3, 4 or 5 days).
- Ideally we would ask that you hear your child read 4 times per week. Remember, it doesn't need to be the whole book every time.
- Little and often is important and makes such a difference.
- You might choose some words from the Speedy Word laminated sheet to read instead of the book.

READING REWARDS

Reading Challenge

Certificates & Prizes for every 15 reads at done home. Please sign their Reading Record book.

Please feel free to 'count the reads' you are doing at home by writing numbers where you sign. This will help us enormously!

We only count the Read Write Inc books for the Reading Challenge. We also only count one read per day.

Positive Behaviour Policy

Adults notice the children's behaviour and either praise them for it or support them with understanding the cause for it. Then, if appropriate, we work together to create a natural consequence for their behaviour.

They will also help the children understand how they can learn from it to improve their behaviour in the future.
