Date: 11th October 2023

Venue: Ruby

Present:

Amethyst – Poppy & Caleb

Aquamarine – Noah & Layla

Sapphire – Reggie & Elizabeth

Jade – Rio & Sophie

Topaz – Elsie-Mai & Elsie

Amber – Maddison & Samuel

Mr Eaton

1. Introduction - agenda and minutes

Mr Eaton explained the format of the meetings and what the agenda and the minutes are.

2. Lunchtimes

Mr. Eaton asked how we could make it fair for both boys and girls who want to play football at lunchtimes. The following timetable was agreed:

	Mon	Tues	Wed	Thurs	Fri
Football on the field  Only 8 players per team to limit 'swarming'.	Year 5&6 boys	Years 3&4 boys	Girls	Years 3&4 Boys and girls	Years 5&6 boys and girls

3. Any other business

Maddison has suggested that in Celebration Assembly instead of clapping sometimes we use jazz hands so that there's less noise for children with special needs.

Action - Mr. Eaton will discuss with Mr. Gumm

Maddison also suggested we have a sensory corner in each quiet room to help children calm. The sensory corner would have a beanbag and a few toys and some books. Also, Rio suggested that we use Moonstone as a room for children who have got upset/angry to calm and be reconciled.

Mr. Eaton thought that both suggestions were great ideas. He explained that we use Moonstone and Treasure Store as rooms where children can calm as well and they have lots of sensory items in them.

Reggie suggested we have a Free2beme after-school club where children can wear their own clothes and play games.

Elsie suggested we have a multi-sports after school club again.

Elsie-Mai suggested we have an art after school club again.

Elizabeth suggested we have a craft after school club.

Action - Mr. Eaton thought these were all great suggestions and will add them to future clubs lists for teachers/TAs to consider running.

Caleb would like to make their own peg labels for Year 1.

Sophie suggested we dress-up in Halloween costumes the Friday before Halloween.

Layla suggested that KS1 have toys in the woods to play with, such as ladders.

Noah suggested they be allowed to have a water fight if they bring extra clothes.

Samuel suggested they have hotdogs and mint choc. chip ice-cream for school dinners, wide games on the field and longer breaktimes.

Mr. Eaton thanked everyone for their great suggestions and suggested some of them sounded like they'd make good class rewards.

Date of next meeting: TBC
